Prices of finished medicines based on the imported bulk drug

337. SHRI SIKANDER BAKHT:

SHRI ANANTRAM JAISWAL:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to refer to the answer to Starred Question 356 given in the Rajya Sabha on 3rd September, 1990 and state:

(a) what was the total import of each of 18 bulk drugs which are price decontrolled during last three years, year-wise;

(b) what are the names of leading brand of each drug and what is the present price oil which each is being sold along with the details of pack and composition;

(c) whether it is a fact that most of these drugs are being imported in the country in the finished formulation form;

(d) if so, names of those formulations, import in value and quantity of each during the last three years, year-wise;

(e) whether it is a fact that these formulations are being imported by multinationals from their principals;

(f) if so, names the fomulations and companies involved; and

(g) on what grounds each of these drugs were price decontrolled?

THE MINISTER OF PETROLEUM AND CHEMICALS AND PARLIAMENTARY AFFAIRS (SHRI SATYA PRAKASH MALAVIYA): (a) To the extent information is available, it is given in the statement. (See below)

(b) to (f) The information asked for is too voluminous and time and effort involved would not be commensurate with the results likely to be achieved.

(g) The list of price controlled drugs was drawn on the basis of the recommendations of the Kelkar Committee. However, the same is being reviewed by the Standing Committee.
